MATH 482
Homework 4

Here is a list of problems in Pinter's A Book of Abstract Algebra that will be collected and graded Tuesday November 13, 2007. Please write up your solutions neatly and be sure to staple your work.

Chapter 12:   A. 1, 5, 6

                B. 1, 2, 9 (what do the classes look like?)

                C. 1, 2, 3

                D. 1, 2

Chapter 13:   A. 1, 4

                B. 5, 6

                C. 1, 2, 3, 4

                D. 1, 3

                F. 1, 2, 3
