MATH 111 Section 01
Homework 2

Below is a list of selected problems from Swokowski and Cole's Precalculus - Functions and Graphs. These are all just suggested problems; you do not need to turn them in. It is in your best interest to work all of the problems. All problems from the homework are fair game on the exams! You are encouraged to work in groups, but you must write up your own solutions. I will be available during office hours for help.
